What is Marching Band? Marching Band is an exciting opportunity for WMHFA students to let their “light” shine before thousands of people in parades in various cities in the summer. The unit consists of three groups: **Band** (students playing wind and percussion instruments); **Colorguard** (girls swinging flags, sabres, or rifles in choreographed routine with the marching band music); **Banner/Flag Carriers** (younger students ages 7 and up, who are siblings to enrolled band/colorguard students). New carriers each year must pass a small audition to participate, and only fourteen positions are available for banner/flag carriers on a first come basis.

Who may participate? Students currently enrolled in a homeschool band age 11 (by 8/4/18)* and up are eligible for Marching Band. (* The age limit does not apply to Jr. Colorguard and Banner/flag carriers).

What is required? Marching Band music must be memorized. All students are required to have “*America On Parade*” and “*The Ultimate Warm-up*” memorized **by May 23**, all students must attend Marching Band Camp, must be able to perform the marching routine by the end of Band camp, attend weekly Wednesday rehearsals and parades.

When are Memorization Tests? Memorization Tests will begin in April and continue each Wednesday until May 23. Many students must return multiple times to be re-tested. **Do not wait until May 23 to do your first memorization test!**

When can WMHFA Marching instruments be picked up? Mellophones may be picked up on a first come basis by CB & AB students until March 21. On March 28 they will be available to IB & BB students on a first come basis. Baritones will only be issued to students when they pass the memorization tests.
